NEW FROM YELLOWBACK MYSTERIES!

Weird cult members, ambitious university faculty and wacky nursing home residents — throw them all together and you get hilarity, sex and mayhem. And for the Hensley family, it could just be a *deadly combination*.

Who is really saved at Nob Hill Manor? Is it Eddy, the 80-year-old resident who wears a medallion around his neck to celebrate his sexual prowess? Is it Nancy, the beautiful young nursing assistant who has pledged her allegiance to a charismatic cult leader? Or is it Nick, the tough-talking, womanizing drifter who deals in his own way with the chaos?

About the Author:

Roger A. Mars has been a soldier, craftsman, professor and business executive. He travels widely to find the experiences, characters and stories to weave into novels and screenplays. Reach him at roger@rogeramars.com.

Reviews:

“Engaging, intelligent and funny — Mars hits the trifecta for good, entertaining fiction with *Saved at Nob Hill Manor*.”

—Maureen Radlick, Editor in Chief, *Women’s Lifestyle Magazine*

“Family dysfunctions make *Saved at Nob Hill Manor* a fast-paced and twist-packed novel. Unpredictable and engaging, the multi-faceted characters interact in a dryly witty manner. Whether poignant, bawdy, hilarious or eye-opening, *Saved at Nob Hill Manor* is always affecting.”

—Juliette Cowall, Editor, Grand Media, Inc.

Review of the original screenplay on which the novel is based:

“A page turner. Great writing. Characters that jump off the page and bristle with vitality.”

—Ken Sheetz, President, Overactive Imagination Pictures
